

Broken confidentiality agreements and a copyright infringement lawsuit reveal...

“How A Rip-off Of My Own System Gives You An Unusual Opportunity To Own The Final Section (*Hand-to-Hand*) Of My Instructor Qualification Series Fighting System”

On March 27th, I received a Fed Ex package containing a 'new' fighting system video and workbook.

I was told this 'new' system was "as good as my own *Hostile Control System*".

And after about 10 minutes of watching the video, I had to agree. It wasn't bad.

There were technical errors in the performance of many movements, some of which would lead to serious injury if they were used as demonstrated.

Still, the basics weren't bad.

But there was one problem that made all others trivial.

You see, what I was watching was...

A RIP-OFF OF MY OWN SYSTEM!

As our success grows and unsolicited endorsements continue pouring in (the latest from the prestigious *Informed Source Intelligence Newsletter*), I guess I always figured someone would try ripping me off... I just never imagined it would be someone I knew and trusted.

Dear Valued Customer,

We've been swamped with your calls asking when we'd have the final section of my **Instructor Qualification Series** fighting system (**SCAR-HCS Hand-to-Hand**) ready.

And frankly, it was almost done. We had completed the videos and were working on fine-tuning a remarkable new companion product. Everything was on schedule for a May 31 publication date when...

Out Of The Blue, This Moronic Rip-off Appears!

Because of it, I've decided to go ahead and release 243 sets of these new videos NOW -- in a special offer I hope never to have to make again.

Before I explain just how you'll benefit from all this, let me tell
