

Jerry Peterson, The One And Only Creator Of The Official U.S. Navy Seal Combat System, Shows You How To Defeat Any Fighting Technique On Earth

Compare This 'Scientific' System With Other 'Wanna-Be' Programs And You'll Instantly See Why It's Required Seal Training!

Six years ago the Navy Seals began using a scientific fighting system so powerful that today they're recognized as the most potent fighting force on the face of this earth.

The creator and designer of this system, Jerry Peterson, became the first civilian ever to standardize and license a hand-to-hand fighting system to the U.S. military. Here's how it happened and why it's important to you.

In 1989, Naval Special Warfare Command (NSWC), the group which controls all Seal activity, was looking for ways to standardize hand-to-hand combat techniques. After an exhaustive review, they had **rejected every single martial art form in the world.**

They found each completely unworkable in combat-oriented fighting situations where Seals were in full gear, carrying 100# packs, and often knee-deep in water.

Amazing Scientific System

Then a Seal NSWC officer (with black belts in 3 martial arts) saw Jerry Peterson's *scientific* fighting system. What he stumbled on wasn't martial arts. In fact it was unlike anything he'd ever seen before.

The Seal officer watched in disbelief as a class of inexperienced students threw real punches for virtually an entire hour, **never repeating the same sequences.** In one session he witnessed more fighting than most martial arts students see in a year.

Later, two top brass at NSWC saw the officer demonstrating moves he'd learned. But intrigue turned to doubt when they learned the originator was an ex-Army enlisted man.

Still they met with Jerry, as much out of admiration for his Vietnam record as anything (he spent 15 months as lead point for Charlie Company, the 173rd Airborne — one of the most decorated units of the war). The Seal officers, Vietnam vets themselves, figured Jerry at least ought to understand their needs.

But they were totally unprepared for what happened next. To prove his system, Jerry Peterson and a highly-decorated Seal Commander (and at 240, 100 pounds heavier than Jerry) went toe-to-toe — but at half speed. To the Commander's amazement he was **instantly** disabled and dropped to his knees.

Only then did he realize — had he not been talked out of going full speed by others who knew the awesome power of Jerry Peterson's system, his false confidence in his martial arts training and in his sheer size advantage would have left him with an arm broken as easily as a match stick!

'Blown Away' In Just Minutes

In 5 short minutes these Seal officers — men who had seen everything in the way of brutal fighting, and who had virtually unlimited budgets to develop the Seals into the world's best — were blown away by Jerry Peterson's *Autokinematic™* fighting system.

Following a pilot program at Command headquarters all Seals began receiving this training. Still, hard-headed, cocky, non-be-

lieving Seals, many with extensive martial arts backgrounds, constantly tested Jerry in situations like these:

❑ Seals are the most proficient combat swimmers in the world. Yet 40-year old Jerry (who wasn't a particularly good swimmer) "drowned" Seal after Seal in training. His scientific principles (this isn't a graceful art form) apply on any terrain.

❑ Seals are trained to run 20 miles in soft sand. But Jerry (who really wasn't in great shape) had them gasping just 5 minutes into his first workouts while he participated effortlessly. He used breathing techniques others had never seen (techniques he can teach you in minutes).

❑ Once, Jerry challenged an entire platoon to pin him against a wall. All thought it a joke. Yet he escaped — from the grasp of 14 of the most proficient fighting men in the world (then demonstrated it was no trick — simply physics, and easily learned).

Today all Seals use these scientific techniques and many more. Since 1989 Navy Seal platoons go through a minimum of 40 rigorous hours of Jerry Peterson's training prior to deployment.

His system was demonstrated to Navy Admirals, a 4-Star General, and Congressmen — as well as the Secretary of the Navy and the U.S. Secretary of Defense!

Jerry was even called in prior to Desert Storm to brief the military on using *Neural Offensive Linguistics™* (a cornerstone of his system, it defines a mind set which eliminates all defensive thinking, allowing anyone [even you] to make instantaneously clear and correct decisions in the midst of any hostile environment).

Devastatingly Powerful

Yet if you expect to use Jerry Peterson's military techniques in civilian situations you're going to get yourself into trouble. Military confrontations are simply not the same as civilian.

What you need to know are methods even the military is not taught.

And now, in the most recent release of his system, Jerry reveals the specific techniques you must know to control any hostile civilian situation. It's called *Jerry Peterson's Hostile Control Systems*, and used correctly, this system is undefeatable.

In *Hostile Control* you'll find out how you can quickly (in no more than a day) learn to defeat or seriously disable anyone threatening your life or the life of a loved one! You get the same devastating power the Navy Seals use. It's just directed towards civilian confrontations.

Combat Proven

Everything in this system was proven in the most intense war lab of the past 30 years — Vietnam! But please understand.

This is not a course to impress friends at your local Karate studio. It's a professional fighting system.

You won't see Jerry Peterson or his pro-

fessional instructors on the Ultimate Fighting Challenge. This isn't sport fighting. Professional fighting has but one objective: to defeat an attacker. And to do it incredibly fast — in 20 years Jerry's longest fight lasted a mere 5 seconds!

This system is only for those who need a powerful yet amazingly simple system (simple because it's based on quickly-mastered scientific principles **not** on a difficult art form) to protect them in life-threatening situations.

No Navy Seal has ever lost in hand-to-hand combat when correctly applying his system! And they never will because...

This System Is Undefeatable

One more thing. Cheap imitators may try to claim they've trained Navy Seals, but let me explain what they've actually done.

Seal platoons have discretionary funds which they use to bring in all sorts of instructors. For example, they've hired the Evelyn Wood™ company to teach speed reading.

And that's the level these cheap imitators are working at. They've gone in at an 'Evelyn Wood' level and given their program to a platoon — maybe to just 1 or 2 men. But they're not the genuine thing.

Jerry Peterson is the sole creator of the official combat fighting system used by the U.S. Navy Seals today.

Want to call these imitator's bluff? Jerry's official Naval Special Warfare course number is K-431-0096. Under the Freedom of Information Act call the Government Information Office and verify for yourself that this course, *Special Combat Aggressive Reactionary System (SCARS)* truly exists. You won't get details about it because it's restricted.

But ask these Navy Seal 'wanna-be' trainers what their official government course number is. You'll find they haven't got one!

In fact, if you're in a violent confrontation and all you have is these 'wanna-be' techniques, you might just be safer pulling out a book and trying to impress the assailant with your speed reading skills!

So now you decide. Do you want to learn 'disguised' martial arts from cheap imitators coming in at the level of Evelyn Wood instructors?

Or will you make the decision the Navy Seals made — and go with Jerry Peterson, the genuine developer of the official U.S. Navy Seal combat fighting system?
